

“Statue and the city”: connecting Europe, building identities through art in public spaces.

Eleni Svoronou
M.Sc. in Heritage Management
Environmental Education Officer
WWF Greece

Professional Development Workshop, eTwinning

[European Year of cultural heritage 2018](#)

Step 1

One team, one statue / monument.

The sculptor and the statue game.

Step 2

- 5-3-1 words for the identity of my country.
- Our European team, our piece of art/monument/statue.
- Our collective identity.

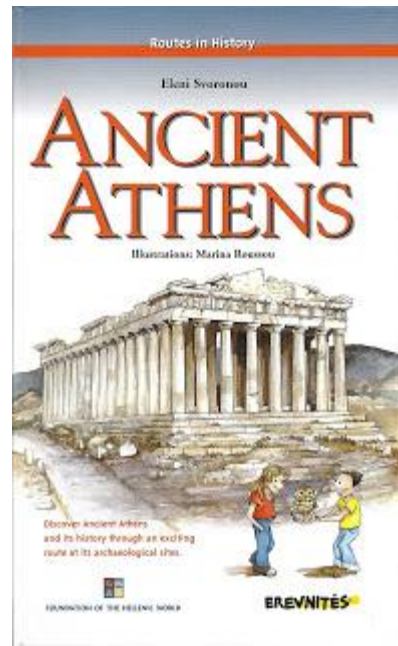

Step 3

- The local monument/statue near our school.
- The story it tells. A storytelling exercise in 3 sentences.
- Sharing our stories in 2-4 – 8.
Spotting the common thread.
Expressing it in colors and words.

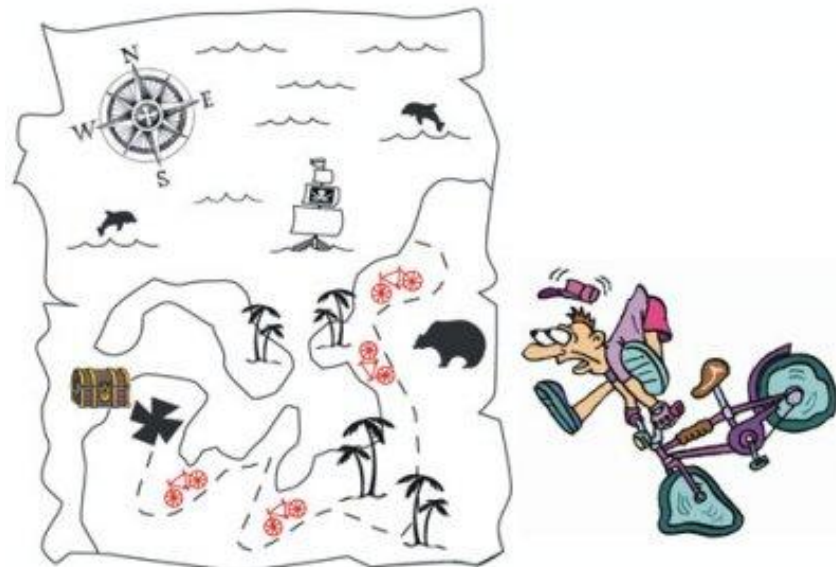

Step 4

- The monument of our city center.
- A title for our monument that encapsulates the collective memory or identity of the city.
- The route from the local monument to the city center one.
- Name the route.

Step 5

- The map of Europe, the map of our heritage.
- Extracting our European values from our heritage.

Step 6

- A quick guided tour to our route.

Step 7

- Reflecting on the applicability of the idea for an etwinning project. A compass for the future.
